Parents & Friends Association

Welcomes you to our School

Resilience, High Expectations and Perseverance

The Parents and Friends Association (P&F) is the parent body at Mt Maria College Petrie.

Our mission is to work in partnership with the School Leadership team to support the provision of quality education and learning experiences for our children.

The P&F has a strong Christian commitment and a vision to provide support to the school Community in ways that engender in our children a sense of pride and belonging to this great school Community.

All Parents and Carers of children at our College are automatically a member of the P&F. A levy per family is paid through the School Fees and is passed on to the P&F for allocation, by member consensus, for use in worthwhile contributions to projects benefiting every child at the school.

Of course, finding the time to get involved in school activities is not always easy, and we understand that many parents who would like to help out may be unable to make a regular commitment. The main thing to remember is that every little bit helps. Even if you only have the time to attend an occasional P&F event, your involvement is important and greatly appreciated. After all, the small contributions of many parents add up and help us achieve some really worthwhile benefits for our students and our school.

Meetings

The P&F meets approximately ten times per year. Meetings are normally held in the College Resource Centre at 7.00pm on the 2nd or 3rd Tuesday of the month. The meeting dates are advertised online in the College newsletter and on the College website.

Meetings usually last just over an hour, after which parents are invited to stay for some light refreshments and a chat.

We invite you to join us!

Come along to share your ideas, hear the latest news from our Principal and staff and give us your feedback. Our meetings are the perfect opportunity to meet other parents, form new friendships and interact with the school's Leadership Team.

Roles and Responsibilities

- The fulfilment of roles in the P&F Association rests with the parents of Mt Maria College Petrie.
- Your P&F helps to provide funding to assist in keeping fees reasonable. Funds we raise are used to provide resources and improve learning experiences at the school

- Your P&F plans and runs occasional social activities for students and families to help foster Community spirit and friendships.

The goal of our P&F is to develop a strong network of parents who will be there, involved in school Community decision making, for you. We aim to develop a sense of belonging for all our parents, and, when required, provide a clear voice of opinion, leadership and guidance for them.

Members include:

- Join any committees that raise additional funds to be administered by the P&F
- Volunteer in our Uniform Shop on Monday mornings or Thursday afternoons
