**UPCOMING
EVENTS
TERM ONE
2014**

Dear Parents and Caregivers

I would like to begin my newsletter this week by thanking all the students and staff who have contributed to Project Compassion this year. Our Project Compassion collection has raised \$1300 so far this term (but we are still counting) and the competition is fierce with all Pastoral Care Classes vying to raise the most money. As mentioned last week the funds raised will benefit many people in many countries who have far less than us. Caritas through Project Compassion aims to assist people in many countries; people who have been affected by civil war and who have been forced to leave their homes consequently suffering poverty; those who live in slums built on land affected by landslides; those who live in areas where their homes are constantly threatened by natural disasters such as typhoons, cyclones, floods, earthquakes and tsunamis; those who don't have access to appropriate medical care and medicines as well as those who have been dislocated from country and culture in order to access lifesaving health care. Many Thanks to parents for supporting their students in their endeavours to raise funds.

Easter is the most significant time in our lives as Christians, with Easter Sunday being the most important day. Without Easter, our faith is meaningless. The Easter story captures the very essence of our existence and I encourage you to participate in the life of our church during this time. Please try and attend at least one, if not more, of the Easter liturgies. The Easter Mass times for the Petrie Parish appear later in the newsletter. Yesterday, the College walked to Our Lady of the Way Church to participate in our Easter Liturgy. The liturgy was a powerful reminder of the meaning of Easter. Congratulations to the students for their excellent behaviour and attention at this significant event. I would like to pass on our thanks to Mrs Janelle Doohan and Mrs Alison Whitten for their preparation of the liturgy and to all the students who played a role in the drama giving it significant meaning. As Easter approaches I am hopeful that students remember the events of Holy Week, hopefully ensuring the true reason for Easter is at the forefront of our thinking.

Reports are currently being prepared by teachers so that they can be sent home in the mail during the holidays. If you do not receive a report for your son or daughter by the end of the holidays, please contact the College Office. As part of the feedback to parents on how their students are progressing at school, Parent – Teacher interviews will be conducted on 30 April 2014. All bookings are done on-line and correspondence will be sent home during the holidays with reports indicating the process for making appointments. Parents will be able to access PTO from the first day of Term 2 to book interviews and I would recommend that all parents make appointments to see their student's teachers. As students will benefit from the conversation between the teacher and the parent, **students are expected to attend with their parent(s).**

This Friday our Year 8 students will have an excursion to Pine Rivers Park on Friday to celebrate their contribution to the College Community over the past term. Students will leave school after morning tea and return in time for transport home. Letters have been sent home with all details earlier in the week.

Last week I congratulated our new P and F Executive. This week, John Dangerfield, our new P and F President has written an article for our newsletter and I commend that to you. Please note our next P and F meeting is in the first week next term (Wednesday 23 April).

Continuing on our theme from the last few weeks, I have included several other websites and YouTube clips about cybersafety. Each of them has some important information for you and/or your student. Please encourage your students to view them too.

The [website Meet the Creeps](http://www.meetthecreeps.com) is an interactive site that provides young people with fast feedback on their attitudes and behaviour about cyber safety. The Creep Quiz has been developed by Telstra and the Queensland Government. The following YouTube clip draws a parallel between Facebook and inviting a stranger into your home. While it is meant for primary students it has a very significant message for all who have a facebook page – but particularly our children: Jigsaw Child Exploitation Online Protection Centre CEOP <http://www.youtube.com/watch?v=o8auwnJtqE> and the last YouTube clip is basically for Parents: How cybersmart are you? <http://www.youtube.com/watch?v=JHj0gKGYzfy>

Term 1 ends on Friday of this week at 3 pm and school resumes for Term 2 on Tuesday 22 April. As the term draws to a close, I would like to wish Parents, caregivers, students and staff a happy and holy Easter. I wish you safe travel for those who are visiting family or travelling to a holiday destination. For students, particularly, I hope you have a relaxed and restful holiday and return to school refreshed ready for a solid term of work!!

Have a great holiday

St Maximilian Kolbe, Pray for us
St Marcellin Champagnat, Pray for us
Mary Our Good Mother, Pray for us
And let us remember to always pray for each other,

**Mandy Sullivan
Acting Principal**

Deputy Principal

Lockers

As with previous years, **ALL LOCKERS NEED TO BE EMPTIED** on or before Friday and have their **LOCKS REMOVED**. This allows students to clean out the lockers and also discourages theft and vandalism. If there are any locks still on the lockers after Friday, the locks will be cut off and any books etc. will be placed inside the Pastoral Care classrooms.

And just as a reminder, could you please check with your child that their spare locker key has been handed to their PC teacher? This allows your child access to their locker should they lose their key or accidentally leave it at home.

They may also leave their lock here with their PC teacher during the holidays if they wish.

Hair Colour & Cuts

As after every school break, if students have coloured their hair during the holidays, it must be close to, or identical to, the student's natural hair colour on their return. Any 'unusual' hair styles must also be corrected (for girls, hair needs to be tied back if shoulder length, and for the boys, length needs to be above the eyes, collar and ears).

Failure to adhere to this simple request will mean that the student will be sent home and will not be allowed to return to school until the colour, cut or both is fixed. Thank you for your understanding in this matter.

Similarly, there should be no 'extra' piercings on your child's returns – this includes clear studs and covers like Band Aids.

For further clarification, please see the Student Planner.

Easter Break

Please enjoy your time off.

Parent/Carer-Teacher Interviews

As you are probably aware, the Parent/Carer-Teacher Interviews are on the second Wednesday back, Wednesday April 30 from 12:30pm. You will soon receive a letter outlining what to do and supplying you with a username and password.

If you do not have access to a computer, there are two options available to you: either come into the College during school office hours and use the computer supplied in Student Reception (the computer has been specifically set up to allow parents and carers to do this) or if that is not practical, please telephone us, **with your username and password**, and the ladies in the office will do it for you.

Access to the online registry system closes on the Sunday before, Sunday April 27.

ANZAC Day Ceremony

On Thursday April 24 the College will be holding its ANZAC Day Ceremony straight after morning Pastoral Care. As per usual, the message is not about war or its glorification, but asks us to remember those who gave their lives so that we can live in a more open, democratic society, where people can voice their disagreements without fear of political or religious prejudice, imprisonment or victimisation. We only need look overseas for such abuses.

As per usual, all parents and carers are welcome.

This year, we are also hoping that some students will also be involved in ANZAC Day ceremonies in the city and locally at Norths League and Services Club, Anzac Avenue Kallangur.

Please call if you have any queries.

Deputy Principal

Ties Term 2 & 3

As we are now in the 'cooler' months, all male senior students are expected to wear their ties, not only here at school, but also to and from the College.

For the junior male students, the tie is an 'option' during this time, but they must still own one, and must wear it when directed (e.g. special celebrations, masses, excursions, school photo day, etc).

College Jumpers/Blazers

All students are allowed wear the College blazer (though it is compulsory for senior students to have one) but they are also expected to wear either the College jumper or fleeced, nylon jacket when cold. Other tops are not permitted, and after one or two warnings, may be confiscated. If your child is unable to wear the correct College uniform on any given day, please write a note in your child's Planner explaining the situation. Also, if there is any difficulty in purchasing the correct uniform, please contact us so that we can be of assistance.

May I reiterate that the College has a strict uniform policy, as most parents expect, and all students and parents have agreed to abide by this policy. There is virtually no reason for any student to be out of uniform on a casual basis – your cooperation in this matter is greatly appreciated.

Correct Shoes

Along a similar vein is the wearing of incorrect shoes: the shoes for the formal uniform are black, hard-leather, polished lace-ups (*not* black, soft-leather skate shoes, ballet slippers and the like). Shoes for the sports uniform are sports shoes/runners.

Unfortunately, we are currently seeing an explosion in skate shoes (e.g. "Vans"). Apart from being the incorrect uniform, for both the formal and sports uniform, they do not provide safety and adequate support for HPE.

Hail Mary

Ave Maria, gratia plena, Dominus tecum, benedicta tu in mulieribus, Et benedictus fructus ventris tui, Jesus. Santa Maria, Mater Dei, Ora pro nobis peccatoribus, Nunc et hora mortis nostrae. Amen.

Quotation of the Week

For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life. John 3.16

Have a peaceful and joyous Easter break and God bless!

Sts Maximilian Kolbe and Marcellin Champagnat pray for us.

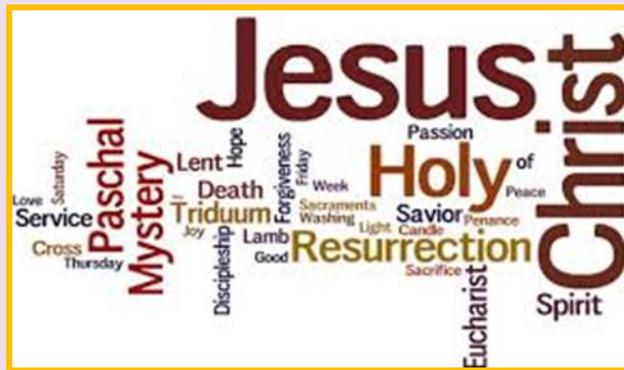

Markus Ebeling
Deputy Principal

Humility, Simplicity and Modesty

Holy Week Liturgy

Yesterday we gathered as a school community for our Holy Week Liturgy. As a community we focused on the theme of the call that Jesus' cross makes on us. We reflected on the story of Jesus' suffering, death and Resurrection by watching a re- enactment of these events known as the Stations of the Cross.

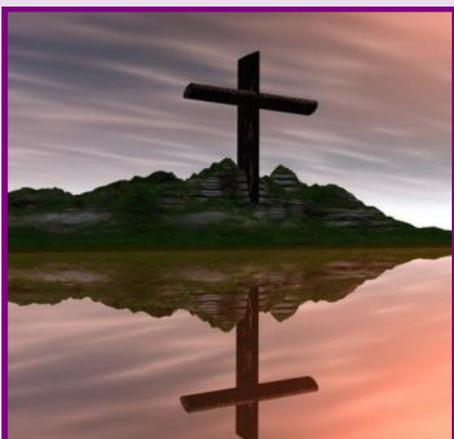

The traditional Stations of the Cross follow fourteen events of Jesus' suffering and death, followed by a concluding reflection on the Resurrection. The story was told through the eyes of Jesus' mother, Mary. This story calls us to remember the suffering of Jesus in a particular way. The symbols and coloured fabric surrounding the cross were reminders of the darkness and pain attached to the suffering and death of Jesus. The symbols of darkness and death were then removed and replaced with colours and symbols representing the Resurrection of Jesus. From the hopelessness of death, we recognised that rich new life springs forth.

On Easter Sunday, Christians celebrate the resurrection of Jesus Christ from the dead. For Catholics, Easter Sunday comes at the end of 40 days of prayer, fasting, and almsgiving known as Lent.

*Through his suffering and death, Christ gives us lasting freedom.
 May God bless us with the inner freedom
 To live ever more truly the Good News of the Gospel.*

Celebrate this Easter with a heart filled with peace, joy and happiness. May our lives be touched by the true meaning of Easter.

Janelle Doohan
 Assistant Principal Religious Education

Business Manager

UPGRADE TO NEW FINANCE SYSTEM

Across the next school holidays, Brisbane Catholic Education will upgrade all College Finance Systems. We have been advised that we will not have access to the system for a two week period (4-4-2014 to 18-4-2014). This will have no impact on receipt of monies.

You will still be able to make payments in your preferred way, and we will receive them with no delay. However, we will not be able to provide you with information regarding balances etc over that period.

NAPLAN Reminder

NAPLAN testing will take place in Week 4 of Term 2 this year. NAPLAN tests skills such as reading, writing, spelling, grammar and numeracy.

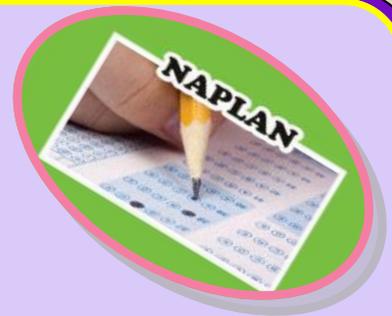

The dates for NAPLAN in 2014 are:

Tuesday 13th May
Wednesday 14th May
Thursday 15th May

If you would like to read more about NAPLAN please use the link below or if you prefer I am available to talk to as well.

http://www.nap.edu.au/verve/resources/NAPLAN_2014_Information_for_parents_brochure_web.pdf

Mt Maria College Petrie App

***"Have you DOWNLOADED
the Mt Maria College APP yet?"***

DO IT NOW

to stay in touch about the busy year ahead!

If you haven't downloaded the College APP, it's available at iTunes and the Google play - please download it to your iPhone, iPad, Smartphone or Tablet.

Simply search "**Mt Maria College Petrie**" to download it - don't forget to position the Mt Maria APP on your front page, so that online alerts and messages can be retrieved ASAP (simply click on the APP, tap the messages icon and refresh your screen for updates!).

You will be able to:

24/7 Audio Absentee Messages accepted

Receive instant Alerts from the College

Access the College Newsletter

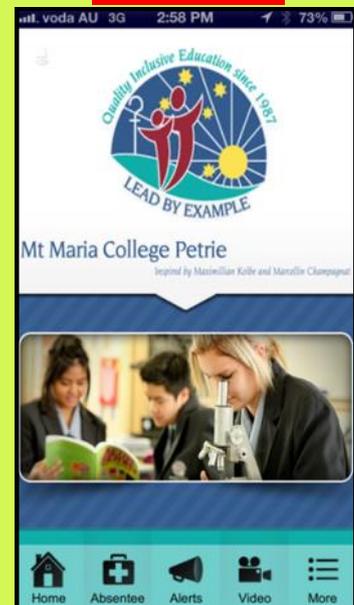

View College Events including locations, day and time

Share the App with prospective families

One touch calling to the College

Access Tuckshop and Uniform Shop products and pricing

All feedback and ideas regarding the use and ongoing development of the APP welcomed at spetrie@bne.catholic.edu.au

We are now half way through Lent and our fundraising for Project Compassion.

Well done to Morgan 2, Ms Argent's PC for leading the way and raising a massive \$371.10, this amount was helped along by a kind donation from Mr O'Brien. Thank you, Mr O'Brien for your generosity and your kind donation to changing the lives of those supported by Caritas Australia. The final tally will be counted this week and both the staff and students are eager to find out who has raised the most money overall. There has been a lot of healthy competitive spirit shown this week and some very creative fundraising ideas. This money will go a long way in implementing infrastructures that are life changing for these families. Below are the stories of the people we are focusing on for the duration of Lent. If you would like to know any more information about Caritas or the six faces of Project Compassion you can head to their website: www.caritas.org.au

I would also like to take this opportunity to wish you an enjoyable break and a Blessed and Holy Easter. May the presence of the risen Lord Jesus fill you with his strength, hope, love and faith knowing that when you turn to him and put your trust in him he will never forsake you.

God's Richest blessings,

Alison Whitten
Campus Minister

Fourth Sunday of Lent

Your support for Project Compassion has allowed Caritas Australia to build a just world by enabling vulnerable communities to be architects of their own future.

This week we meet Martina, a teacher in the Solomon Islands. Her favourite part of the school day is teaching the children songs from Caritas Australia's *Disaster Risk Management project* which was established after a string of natural disasters in the Pacific that threatened the homes and communities of people living in the Solomon Islands. Through the power of nursery rhymes and songs, children are learning how to stay safe during an emergency.

Your generous donations to Project Compassion means that Caritas can continue to educate teachers like Martina and help keep children safe during an emergency caused by natural disasters.

Fifth Sunday of Lent

Your support for Project Compassion helps Caritas Australia work towards the creation of a world that God desires to be just and compassionate.

Far from home for dialysis treatment, Aboriginal woman Lorraine is reconnecting with her culture and community through an income-generating bush balm program. The program offers people who are chronically unwell, a sense of purpose, comfort and wellbeing.

Your support ensures that together we are walking alongside Indigenous Peoples in Australia and around the world.

Sixth Sunday of Lent (Passion Sunday)

Your support for Project Compassion allows Caritas Australia to lift the voices of the poor and promote the dignity of each person, regardless of ethnicity, religion or cultural beliefs.

This week we meet Nirangini in Sri Lanka. From 1983 to 2009 a civil war affected Sri Lanka, and Nirangini and her entire community were forced to leave their village.

Thanks to your support, Nirangini now has a permanent home back in her childhood village and she and her son are re-establishing their lives.

Please donate to Project Compassion today so partnerships like this can continue to grow.

Recreational Sport—Fishing

Hello my name is Jeanne and I'm a fishoholic!

This term I have had the absolute pleasure of taking a wonderful group of boys to fishing for Sport and Rec.

We have had some adventures (including injuries), with some interesting catches from the river. Walking to the river each Thursday has been a bit of a challenge for some of the boys but they persevered and had some magnificent times.

Rylie Meadsmith was our guru of fishing (being the boy who caught the most fish and crabs). I am looking forward to the next round of fishing and a fantabulous group of enthusiastic students!

Jeanne Rae

Mt Maria College Petrie Parents and Friends Association

Hello everyone,

It is my honour and pleasure to step into the role of the MMCP, P and F President for 2014.

I pass on my thanks to Donna Wyers for her service as immediate past President and other office bearers that have been members of the previous committee.

My favourite TV series is The West Wing. In one episode I well remember, the President Jed Bartlett, was speaking to a hall of university students.

What he (and the show's writers) said has always stayed with me. He said, "Decisions are made by those who show up."

And those words hold true for committees such as ours at Mt Maria College.

As you know, it's not as easy getting school information out of your high schooler, as compared to a child in primary school. I welcome new members (as I did last year) to come and sit in on our meetings and ask questions about what we do and how we support the school.

Our next meeting will be on Wednesday April 23rd and all are invited.

A happy and holy Easter to you all.

John Dangerfield
P & F President

Seniors—Free Magazine for Students and Parents

The Magazine features articles by:

Dr Tim Hawkes, OAM - Renowned Australian educator and **Principal of The Kings' School**, Sydney writes about the **ten essential conversations** every parent should have with their teenage sons.

Philip Hay - Brisbane-based **social media** consultant explains why **Linkedin** is your new **online CV** and an essential tool for networking your way into a career.

Jeff Gilling, BEc - Social Researcher, futurist and founder of LeavingSchool.com.au writes about why the **education system** needs a shake-up in the 21st century.

Harriet Farkas - Editor of Flamingo Pink.com.au explains exactly **what students can expect** after leaving school.

Kate Fitzsimons—Head of the Nicole Fitzsimons Foundations tells of her family's personal tragedy and one of the **real dangers** young Australians face when travelling overseas.

Also: **12 essential tips for parents** on "How to survive Year 12", and **How students can win \$500 for themselves and \$5,000 for your school** in the WrittenPortraits.com.au national creative writing competition.

St Vincent de Paul's Winter Blanket Appeal

"Squares for Charity"

The time has come for students, staff, and relatives of Mt Maria College Petrie Community to start knitting or crocheting squares of 25 cm. These squares are then joined together to make colourful blankets, which will be donated to St Vincent de Paul in June. Last year, we were able to donate 25 blankets to the St Vincent de Paul's Winter Blanket Appeal.

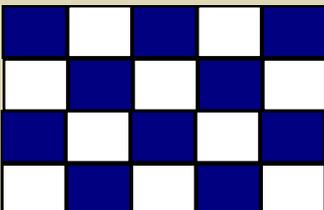

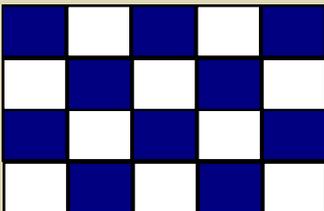

We will also need some help with assembling the blankets, so if you are able to give us some of your time to assist with crocheting the squares together, please contact the College Office on 3285 5500.

For the blankets to be put to use this winter it would be ideal if we could have your finished squares before the 24th of May.

To get you started you will need:

- 1 set of 4 mm knitting needles or 1 x 4 mm crochet hook
- Some 8 ply balls of colourful yarn
- Squares need to measure 25 cm x 25 cm, with between 52 - 58 stitches and 70 - 75 rows of knitting.
- It is also helpful when making the blankets if you can leave 40 cm of yarn at the cast on and cast off point.
- If you need materials, they can be provided.
- For those who may not be able to knit, donations of yarn or money will be very much

Old Police Service Expo 22/23 August 2014

This year sees the Queensland Police Service celebrate 150 years of service to the Queensland Community. One of the large celebration events being held is a Police Expo at the Brisbane Convention and Exhibition Centre, Merrivale Street, South Brisbane. **The Police Expo will run from 9am - 7pm on Friday 22nd August and 9am - 4pm on Saturday 23rd August** and highlight the diverse nature of policing activities and environments across Queensland. Entry for school groups will be free. Individuals attending will be asked for a gold coin donation.

Friday is targeted at getting school groups to attend. With active displays from a range of Policing units and sections attendees will be able to talk to the officers doing the job. This event will be a must see for anybody with any interest in becoming a Police Officer, or just wanting to see what we do.

Some of the sections that will be in attendance include:

| | |
|--|---|
| Special Emergency Response Team (SERT) | Explosive Ordnance Response Team |
| Public Safety Response Team | Police Operational Skills Training Unit |
| Mounted Police | Water Police |
| Police Dogs | Forensic Crash Unit |
| Road Policing | Community Safety and Crime Prevention |
| Queensland Police Museum | |

Looking In Looking Out

Looking In Looking Out is a 6 week group for parents and carers who are interested in exploring ideas around self esteem and ways to make changes towards having a healthier self esteem.

The aim of this group is to provide a safe and creative environment for people to explore and understand their self esteem covering such topics that include:

- What is self esteem?
- Where do we get our self esteem from?
- Ways you can increase your self esteem
- Assertiveness
- How to maintain a healthy self esteem

This is a craft—based group.

In partnership with ... *Relationships Australia.*

Community News

My name is Liz Taylor and I am a Breast Cancer Survivor, having undergone a mastectomy, chemotherapy and radiation during the last 10 months. This year I am taking part in the Breast Cancer Network Australia (BCNA) Great Wall Challenge 2014, where other likeminded people travel to China and trek the Great Wall of China (at our own expense). Prior to taking this challenge, we are raising money for BCNA to assist them to continue their valuable support and help to people diagnosed with breast cancer.

Please join us at the following events to help raise funds and awareness.

GREAT EASTER HUNT
